## **Beiser and Haine Host Satellite Office Hours in Wood River**

**WOOD RIVER, Ill.** – State Rep. Dan Beiser, D-Alton, and state Sen. Bill Haine, D-Alton, recently hosted Satellite Office Hours in Wood River.

“It is always great for me to have a chance to sit down with my constituents and discuss issues that are facing our state, as well as address any state-related concerns they may have,” said Beiser. “Hearing the opinions of my constituents helps me to do my job as state representative more effectively.”

Satellite Office Hours provide constituents that do not live in the Alton area a chance to have more easy access to state Rep. Beiser’s office so that they can meet with a member of his staff or gain access to state services.

“Thank you to Representative Beiser and Senator Haine for taking the time to bring their staff out to Wood River,” said Rose Thiemann of Wood River. “It means a lot to me to see that both our state representative and our state senator truly care about hearing the opinions of the people they serve and take their thoughts and ideas into consideration.”

Beiser has been hosting Satellite Office Hours throughout the Riverbend region to provide area residents with easy access to his staff. He has hosted them in Granite City, Godfrey and Bethalto so far, and the next Satellite Office Hours will be in Hartford on Thursday, November 19 from 10 am until Noon at Hartford Village Hall, located at 140 West Hawthorne Street.

“Hosting Satellite Office Hours in different communities helps bring the services our offices offer to more people, and that’s always a good thing,” said Haine. “Since both of our state offices are located in Alton, Satellite Office Hours gave residents of Wood River a chance to have their concerns addressed face to face without having to make their way to our district offices.”

For more information, please contact Beiser’s constituent services office at 618-465-5900.
