Hoffman, Beiser Help Local Residents Stop Financial Exploitation at Senior Fraud Prevention Seminar

GRANITE CITY, Ill. – State Reps. Jay Hoffman, D-Swansea, and Dan Beiser, D-Alton, welcomed experts from the attorney general’s office this week to help local senior citizens protect themselves against fraud and identity theft.

“Many times seniors do not even realize they are at an increased risk of being scammed or having their identity stolen,” Hoffman said. “However, thanks to the attorney general’s office, those who attended are now aware of the simple steps they can take to protect themselves.”

“Even though new forms of deception are constantly being developed, seniors can reduce their risk by taking simple steps to protect themselves,” Beiser said. “Protection from fraud and identity theft can seem like a complicated task, however in many cases the strongest protections require simple actions.”
